

# I'll Miss You

Anthony Green

The way you live your life  
Like you're running out of time  
I'm gonna miss that  
The way you do the things  
You love with so much love

All I remember is us raising hell  
And I'm having the best time  
I'll always call on it and just so you know  
I'll miss you, I'll miss you

The way you loved your friends  
Like just in case this ends

You've got to go on and cherish your light  
Live it up every moment and you'll be alright  
All I remember is us raising hell  
I'll miss you

Live every moment like this is the end  
Spend all your time with your family and friends  
All I remember is us raising hell  
I'll miss you
