

Plays Ugly For Daddy

Anthony Green

I feel your smooth skin, slightly brushed.
I need your song, your song, your song, started over.
I hear the exclamation point.

Your eyes are so there (greener)
Your eyes are so there (greener)
Your eyes are so there
Your eyes are so there (greener)
Your eyes are so there
Your eyes are so there

Lay back, I tried to hear you out.
I need, I need, the song, the song, the song, started over.
Ariel, Ariel.
Your crying made me miss my favorite part.

Your eyes are so there (greener)
Your eyes are so there (greener)
Your eyes are so there
Your eyes are so there (greener)
Your eyes are so there
Your eyes are so there
