

When time slows down
And I start to think about
All the things we've seen
And the boys come running by
In a flash of happy noise
And I'm scared for them

When you've had enough
And you no longer feel if it's happening
All, all for you

Can't believe the things we've seen
But I can tell it's
Going nowhere (I swear)
What did you see in that dream?
I can't believe it's happening (I swear)

When the door slams loud
And you can't stand to be around
All the things you've seen
And the girls come running by
In a flash, a violent wave
But you know it won't last
If you've gone too far
And you no longer feel if it's happening
All, all for you

(I swear) Can't believe the things we've seen
But I can tell it's
Going nowhere (I swear)
What did you see in that dream? (I swear)
I can't believe it's happening (I swear)

If you've had enough
And you no longer feel if it's happening
All, all for you
