

Slowing Down (Long Time Coming)

Anthony Green

Things start slowing down, for you and I.
It's been a long time coming.
If you keep holding on to what we've lost,
You're gonna drag down the road behind us.

I never wanted it to feel like this, to be this way,
I'm just afraid that if you stay we'll never change.
I never wanted it to be like this, to feel this way,
I'm just afraid that if you stay you'll hate me.

Things start slowing down, for you and I.
It's been a long long long long time.
If you keep holding on to what we've lost,
You're gonna drag down the road behind us.

I never wanted it to feel like this, to be this way,
I'm just afraid that if you stay we'll never change.
I never wanted it to be like this, to feel this way,
I'm just afraid that if you stay you'll hate me.
