

# I Did It for Sho

Anthony Hamilton

Yea I did it  
It was time  
Yea  
Why keep asking me  
Keep harassing me  
All those questions about who and what she means to me  
I'm a lucky guy  
I found someone that I  
Can paint the town  
Run around  
Someone to talk with  
Such a lucky fit  
Baby she be it  
You wanna know if I've fallen for her  
I tell you quickly  
Free up some energy  
Cause I don't want to let her go

I did it for sho  
All the trips abroad (trips abroad)  
Max'd out credit cards (credit cards)  
Throwing down to Mr Chows (Mr Chows)  
I did it for sho  
Meant to let you see (let you see)  
You just can't sleep on me (sleep on me)  
Another on will come around (around)

I feel we had our chance  
And it's come to an end  
Now you wanna come around  
Naw girl go with your friends  
We used to love them streets  
But now I need my sleep  
So I can dream of things  
That you couldn't even see  
She's got a vision  
So much she put me in it  
You wanna know if I've fallen for her  
I tell you quickly  
Free up some energy  
Cause I don't want to do her wrong

I did it for sho  
All the trips abroad (trips abroad)  
Max'd out credit cards (credit cards)  
Throwing down to Mr Chows (Mr Chows)  
I did it for sho  
Meant to let you see (let you see)  
You just can't sleep on me (sleep on me)  
Another on will come around (around)

Ohhhhhhhh  
Ohhhhhhhh  
There comes a time  
When things have to change and  
People have to go their separate ways and  
You know all the talk Beyonce with

"to the left, to the left", there's nothing left  
Not here, for you  
So I'm putting it all on the line  
I'm letting you know  
I've been spending time  
So I need you to spin wheels  
And I'll see you when I see you

I did it for sho  
All the trips abroad (trips abroad)  
Max'd out credit cards (credit cards)  
Throwing down to Mr Chows (Mr Chows)  
I did it for sho  
Meant to let you see (let you see)  
You just can't sleep on me (sleep on me)  
Another one will come around (around)

I did it for sho  
All the love we had (love we had)  
You took for granted and (granted and)  
You thought I'd never write those vows (write those vows)  
I did it for sho  
Shouldn't have slept on me (slept on me)  
Thought I'd be left lonely (I'd be left lonely)
