

Talk Dirty to Me

Anti-Nowhere League

Lock your doors
You see me
And keep the Light on by your bed
And close your eyes, my pretty thing
Don't forget it's our little secret
WHEN I COME CREEPING TO YOUR BED

I lay my hands upon your chest
Be still i wont hurt you
Just let my tongue be the best

I am the creature of the night
When you say it's alright
I'll be there to turn you on
I will be the beast within your head
I will be your fantasy in bed
And I've been good
And I've been bad
I've been so so bad
TALK DIRTY TO ME

I'll come to you all dressed in leather
I will lay my hands upon your ch-ch-chin
Be still don't you fight me
Or I will tie you to your bed

I am the creature of the night
When you say it's alright
I'll be there to turn you on
I will be the beast within your head
I will be your fantasy in bed
And I've been good
And I've been bad
I've been so so bad
TALK DIRTY TO ME

Talk talk talk dirty to me
Don't you cry!

So lock your doors
you see me
And keep the Light on by your bed
Say your prayers under your covers
Just match me by when in your bed

I am the creature of the night
When you say it's alright
I'll be there to turn you on
I will be the beast within your head
I will be your fantasy in bed
And I've been good
And I've been bad
I've been so so bad
TALK DIRTY TO ME
