

My Lady Story

Antony and the Johnsons

My lady story

My lady story

My lady story

Is one of annihilation

My lady story

Is one of breast amputation

My lady story

My lady story

I'm a hole in love

I'm a bride on fire

I am twisted

Into a starve of wire

My lady story

My lady story

Lie in road for you

And I've been your slave

My womb's an ocean full of

Grief and rage

My lady story

My lady story

My lady story

My lady story

And still you're coaxing me

To come on out and live

Well I'm a crippled dog

I've got nothing to give

My lady story

My lady story

My lady story

My lady story

I'm so broken babe

But I want to see

Some shining eye

Some of my beauty

My lostest beauty

My lostest beauty
