

Mysteries Of Love

Antony and the Johnsons

Sometimes
A wind blows
And you and I
Float
In love
And kiss forever
In a darkness
And the mysteries of love
Come clear
And dance
In light
In you
In me
And show
That we
Are Love

Sometimes
A wind blows
And you and I
Float
In love
And kiss forever
In a darkness
And the mysteries of love
Come clear
And dance
In light
In you
In me
And show
That we
Are Love
