

Paddy's Gone

Antony and the Johnsons

My wrists hurt
My heart's empty
Paddy's gone
For a long time

Loved that man
Scared without him
Paddy's gone
For a long time

My wrists hurt
My heart's empty
Paddy's gone
For a long time

Loved that man
Scared without him
Paddy's gone
For a long time

My wrists hurt
My heart's empty
Paddy's gone
For a long time

Loved that man
Scared without him
Paddy's gone
