

# You Are My Sister

Antony and the Johnsons

You are my sister, we were born  
So innocent, so full of need  
There were times we were friends but times I was so cruel  
Each night I'd ask for you to watch me as I sleep

I was so afraid of the night  
You seemed to move through the places, that I feared  
You lived inside my world so softly  
Protected only by the kindness of your nature

You are my sister  
And I love you  
May all of your dreams come true  
You are my sister  
And I love you  
May all of your, all of your dreams come true

We felt so differently then  
So similar over the years  
The way we laugh, the way we experience pain  
So many memories  
But there's nothing left to gain from remembering  
Faces and worlds that no one else will ever know

You are my sister  
And I love you  
May all of your dreams come true  
You are my sister  
And I love you  
May all of your, all of your dreams come true  
All of your, all of your dreams, come true  
I want this for you  
They're gonna come true (gonna come true)  
They're gonna come true (gonna come true)  
I see them come (see them come true)  
Oh I see them come, I see them come  
I see them come, I see them come
