

# I Just Want You Around

Anuheia

I don't know where this is leading  
But I have a feeling about this random meeting  
The finest things in life are the least expected  
And I don't want to look back on the things I've regretted  
So I got to play my hand, take a stand  
Let you know that I don't want you to go  
I just want you around.

I just want you around  
I just want you to be around  
When we're together its the sweetest sound, so please  
Don't let me down  
I just want you around.  
Ba-da-bum-ba-bom-bu-day-day  
I just want you around  
Ba-da-bum-ba-bom-bu-la-la

I submit myself to your, your company ye yeah  
Bathing in the high of your symphony  
I'd give up my freedom to get lost in your sea  
Ooooooh yeah, cause

When the glitter fades away  
And all the things around you slowly turn to gray  
You're gonna wish you listened to me say  
You're gonna wish so bad that you would  
Just have stayed

I just want you around  
I just want you to be around  
When we're together its the sweetest sound, so please  
Don't let me down  
I just want you around.  
Ba-da-bum-ba-bom-bu-day-day  
I just want you around  
Ba-da-bum-ba-bom-bu-day-day
