

# Only Man in the World

Anuheia

Do I make you feel?  
Yes you make me feel love  
Do I make you feel?  
Yes you make me feel love

When I first met you boy, my mind changed suddenly  
I had a plan, had a man, it never mattered see?  
You're pretty cool (?) was doin you and I was doin me  
The others faded, now you're the only light I see

...Ooooooh  
I'll tell you everything that you wanna hear now  
I want to let you know that you're a king to me

Do I make you feel like you're the only man in the world?  
Do I make you know in your heart and soul that I will always be your girl?  
Do I make you feel like the only man in the world? (Yes you do)  
Do I make you feel like you're the only man in love in the world?

I wasn't looking for anything too serious  
Tired of being hurt, tired of losing trust  
Now things are different, thinking of commitment  
Could it really be so bad? Now look at what we have...

...Ooooooh  
I'll tell you anything that you want to hear now

I want to let you know that you're a king to me

Do I make you feel like you're the only man in the world?  
Do I make you know in your heart and soul that I will always be your girl?  
Do I make you feel like the only man in the world? (Yes you do)  
Do I make you feel like you're the only man in love in the world?

I see you at sunset, when the mood is light  
Let's get away from everything tonight  
Recline, clear your mind, exhale, enjoy the ride  
Into the stars and dancing to the moonlight  
I want to make you smile, make you laugh, make you see  
I truly feel Jah has blessed to have made you here for me so  
Let me show you, how I adore you  
Oh I adore you

Do I make you feel like the only man in the world? (Yes you do)  
Do I make you know in your heart and soul that I will always be your girl?  
Do I make you feel like the only man in the world?  
Do I make you feel like you're the only man in love in the world?
