

# Guilty

Anvil

Receive a summons from the court  
Every day you must report  
Sitting in a jury box  
Listen to the lawyers talk  
Evidence must be presented  
While the jury's lives have been pre-empted  
Defendant must make a plea  
He just wants to be set free

A duty to the justice system  
Trial is the way to convict them  
After witness and defendant have voiced  
Is when the jury makes it's choice

Barter plea  
For all the world to see

Guilty, guilty  
The jury finds you guilty  
Guilty, guilty  
The jury finds you guilty

The jury must deliberate  
A guilty verdict cops appreciate  
When evidence proves to incriminate  
A sentence the judge will initiate  
To find you guilty on all accounts  
It must be proven beyond a reasonable doubt  
When you break the law you must do your time  
And pay the system for your crime

Barter plea  
For all the world to see  
To see

Guilty, guilty  
The verdict says your guilty  
Guilty, guilty  
The jury finds you guilty  
Guilty, guilty  
The verdict says your guilty  
Guilty, guilty  
The jury finds you guilty  
Barter plea  
For all the world to see
