Dessert is my favourite meal, I eat it every day A dietary supplement that's certain to stay It's my favourite recipe and it's easy to follow Can't wait to get a mouthful, bite down and swallow

It's got the flavour that can't be beat
It's a mans treat
Knee high in hair pie

A little bit of this and a little bit of that Connoisseurs dessert is eaten on your back Add a little honey, maybe some whipped cream Do it with a friend if you know what I mean

Knee high in hair pie Knee high in hair pie

Put the batter in the bowl, then begin to stir Bring it to a lather if you want to be sure The flavour of this delicacy really can't be beat It's a man's meal that's more than just a treat

It's got the taste that can't be beat More than a mans treat
