

Satellite Heart

Anya Marina

So pretty, so smart
Such a waste of a young heart
What a pity, what a sham
What's the matter with you man?

Don't you see it's wrong? Can't you get it right?
Outta mind and outta sight
Call on all your girls, don't forget the boys
Put a lid on all that noise

I'm a satellite heart lost in the dark
I'm spun out so far, you stop, I start
But I'll be true to you

I hear you're living out of state
Running in a whole new scene
You know I haven't slept in weeks
You're the only thing I see

I'm a satellite heart lost in the dark
I'm spun out so far, you stop, I start
But I'll be true to you

I'm a satellite heart lost in the dark
I'm spun out so far, you stop, I start
But I'll be true to you no matter what you do
Yeah, I'll be true to you
