

# Whatsit

Anya Marina

It's so mean when  
You spin  
It's so mean when  
You spin

It's a love glow  
I can feel from my hips to my toes  
It's a love glow  
You throw

So whatsit gonna be?  
Aah, aah  
Whatsit gonna be?  
Aah, aah

Whatsit gonna be?  
Aah, aah  
Whatsit gonna be?  
Aah, aah

It's a wow, wow, wow, wow, wow  
Kinda thing you make me thinkin' about  
I'm kinda wild  
For your mouth

So whatsit gonna be?  
Aah, aah  
Whatsit gonna be?  
Aah, aah

Whatsit gonna be?  
Aah, aah  
Whatsit gonna be?  
Aah, aah  
Whatsit gonna be?

Be  
Be  
Aah, aah  
Aah, aah

What, so what?  
Say you gonna ride, you're fine  
You oughta go, "Oh, gosh, it's fun"  
And then you'll see the sun

Alright, so what  
You're doin' on the run, ahaa  
And now you feel alright

It's so mean when  
It's so mean when  
(It's so mean when)

It's so mean when  
You spin  
It's so mean when

You spin

So whatsit gonna be?

Aah, aah

Whatsit gonna be?

Aah, aah

Whatsit gonna be?

Aah, aah

Whatsit gonna be?

Aah, aah

Whatsit gonna be?

Aah, aah

Aah, aah

Aah, aah
