

Blue Little Rose

Anything Box

Blue little rose
You are crying
I am trying
To let you know that I love you so

Sweet little rose
Let your petals sway
On your lonely days
In the wind of my heart

I can help you see
What it's like to be
Taken from the garden
Where you grew up with me

I can set you free
If you just run to me
All the thorns will go away
If you stay with me
Little rose
