

Air

Aphrodite's Child

Your mind is full of air
There is nothing in there
Plenty of air everywhere
Try to care, if you dare

Your mind is full of air
There is nothing in there
Plenty of air everywhere
Try to care, if you dare

Your mind is full of air
There is nothing in there
Plenty of air everywhere
Try to care, if you dare

Your mind is full of air
There is nothing in there
Plenty of air everywhere
Try to care, if you dare
