

This is the sight we had one day on the High Mountain  
We saw a lamb with seven eyes  
We saw a beast with seven horns  
And a book sealed with seven seals  
Seven angels with seven trumpets  
And seven bowls filled with anger

Those are the pictures  
Of what was  
Of what is  
And of what has to come

We are the people  
The rolling people  
The why people  
The waiting people  
The wanting people  
The tambourine people  
The alternative people  
The angel people

We are the people  
The rolling people  
The why people  
The waiting people  
The wanting people  
The tambourine people  
The alternative people  
The angel people

The angel people
