

My English Is Pretty Bad

Aqme

(feat. Stephane Buriez & Junior)

Plus aucun signe
Tant à dire mais si incapable de laisser couler l'encre
Perdu parfois dans l'excès pour retrouver la parole
Je sais pourtant qu'en aucun cas
Tu m'aideras à trouver
La bonne voie pour comprendre pourquoi

It's meaningless but I can't let it go

Bitter blood runs in my veins (I can't breathe)
Those words are chocking me
Hidden down inside my throat (they're burning my mind)

Bitter blood runs in my veins (I can't breathe)
Those words are chocking me
Hidden down inside my throat (they're burning my mind)

One single word for all those years
So many lies for a simple moment
I can't let it go

Bitter blood runs in my veins (I can't breathe)
Those words are chocking me
Hidden down inside my throat (they're burning my mind)

Bitter blood runs in my veins (I can't breathe)
Those words are chocking me
Hidden down inside my throat (they're burning my mind)

Even if it's been there from the start,
You lied so many times
I never told you that before,
You didn't deserve to be heard anymore
Even if it's been there from the start,
You lied so many times
I never told you that before,
You didn't deserve to be heard anymore
