

# Summer Is Calling

Aquagen

Take a Trip out to the Beach  
Let the Sunshine in your Heart  
Makes you feel good  
Makes you smile  
Be free and let your self go  
Take a look up to the Stars  
They are shining bright tonight  
Makes you feel good  
Makes you smile  
Makes you feel  
Like flying away

The Summer is calling your Name  
And it feels and it feels like in Heaven  
The Summer is calling your Name  
And it feels and it feels like in Heaven  
The Summer is calling your Name  
And it feels and it feels like in Heaven  
The Summer is calling your Name  
And it feels and it feels like in Heaven
