

# Another Little Hole

Aqualung

No need to tell her  
she knows that there's another little hole in her heart  
each day each dollar  
she knows it tears another little hole in her heart  
'cause she feels it happen  
no doubt that there's another little hole in her heart

The day is breaking  
and time is taking  
the love were making away  
this life can only  
leave us lonely  
there's no tomorrow  
just another little hole in her heart

No need to tell me  
I know that theres another little tear in my eye  
I'm quite aware  
I see thats there another little tear in my eye  
do you ask yourself why  
should we ask oursleves why  
is there any point in wondering why  
any point in wondering why

The day is breaking  
and time is taking  
the love were making away  
this life can only  
leave us lonely  
there's no tomorrow  
just another little tear in my eye  
another little tear in my eye

I don't know, I don't know, I don't know, I don't, I don't know, ...

The day is breaking  
and time is taking  
the love were making away  
the gods have spoken  
the spell is broken  
and love will tear us  
love will tear us apart

This life can only  
leave us lonely  
there's no tomorrow  
just another little hole in my heart  
another little hole in my heart

I don't know, I don't know, I don't know, I don't, I don't know
