Follow the Sphinx

Arch of Hell

From the silence came the voice Whispering to the wanderers In their dreams gods uncover The deepest secrets hidden

It's the mysterious voice Which tells you thy will If you listen you can attain All the happiness of the world

Sphinx can help with your unsolved issues
His knowledge's godlike
He's intermediator of deity
You must try to follow the Sphinx
He hides everything
In mysteries of your dreams

/: Put your doom aside
Listen to me know
Great things will begin
Hear my silent voice :/

From the silence came the voice Whispering to the wanderers In their dreams gods uncover The deepest secrets hidden

It's the mysterious voice Which tells you thy will If you listen you can achieve All the happiness of the world

Sphinx can help with your unsolved issues His knowledge's godlike He's intermediator of deity Once You'll truly follow the Sphinx You're gonna find the truth About your life and destiny

/: Put your doom aside
Listen to me know
Great things will begin
Hear my silent voice :/
