Here we go, turn it up  
Come in the water  
Send me under  
Send me under  
Send me under  
Send me under

I put the rapture  
Sing together  
Send me under  
Send me under  
Send me under  
Send me under

Leave together  
Free forever  
Send me under  
Send me under  
Send me under  
Send me under  
Send me under  
Send me under  
Send me under  
Send me under  
Send me under  
HA !  
Leave the water  
Leave the water
