God dog
Sunday no funday
Holy joke
Go away
No fun
None whatsoever
Ya sister is sinking

I know I believe
I believe
I believe
That it`s beautiful

I know I believe Yeah I think I Believe that It`s wonderful

I know if I leave
My belief
Then I leave what`s incredible

It`s gonna take a better man
To get me out of this sham

If it stays like this You`re a failure If you keep it up You`re a failure

Because we want What you`re supposed to give us You`re a failure

We want what we're supposed to have You're a failure

No fun whatsoever No fun whatsoever No fun
