

Half Built Houses

Archive

Half built are houses
Half built are walls in this shade
Never completed never made into a home
Half kitchen tables
Half understanding of my love for you
Can't ignore feelings
Can't ignore all these signs
Sings I can't ignore
Sings I can't ignore anymore
Sings I can't ignore
Sings I can't ignore anymore
Sings I can't ignore
Sings I can't ignore anymore

Built and construct a story
Then smash and destroy
Concept and meaning
Smash all this meaning every time
Half built are houses
Half built are walls in this shade
Sings I can't ignore
Sings I can't ignore anymore
Sings I can't ignore
Sings I can't ignore anymore
These sings I can't ignore
Signs I can't ignore anymore
There are signs I can't ignore anymore
