

# Rest My Head on You

Archive

Was such a lovely day  
It was so easy  
And all that I wanted to do  
Was to rest my head on you  
On you, on you, on you  
To rest my head on you

All I wanted to do  
Was rest my head on you  
(All I want)  
All I want to do  
Is rest my head on you

All I wanna do  
All I, all, all I, all, all I, all, all I  
All, all I, all, all I, all I  
All I wanna do  
Is rest my head on you
