

Sell Out

Archive

I've been thinking
Many things today
Manipulationg
I've been sitting
Sitting thinking
Of your unpleasant soul

Lets not sell it out
I don't wanna sell it to you

I've been thinking
Of your face today
Intimidationg
I've been wishing
For a way to hurt
Your ugly heart

Lets not sell it out
I don't wanna sell it to you

How could I love you

Lets not sell it out
I don't wanna sell it to you
