

We're not talking anymore  
Free and happy to ignore  
No no one, no one , no one  
No one, no one seems to matter anymore  
Anymore, anymore, anymore, anymore  
Anymore, anymore, anymore, anymore

And now you really start to mess up my heart  
Pretending you're calm  
The size of silence to ignore  
Sly, silence to ignore  
Send my message out to war  
No one, no one seems to matter anymore  
Anymore, anymore, anymore, anymore  
Anymore, anymore, anymore, anymore

And now you really start to mess up my heart  
Pretending you're gone  
Don't turn away, don't turn away  
Don't turn away, don't turn away  
Don't turn away, don't turn away  
Don't turn away, don't turn away

Don't turn away, don't turn away  
Don't turn away, don't turn away  
Don't turn away, don't turn away  
Don't turn away, don't turn away

Don't turn away, don't turn away  
Don't turn away, don't turn away  
Don't turn away, don't turn away  
Don't turn away, don't turn away

Say, Open up your heart  
Share, shiver in the dark  
Low down, it always feels the same  
Feel it, shame it will remain

No no one, no one , no one  
No one, no one seems to matter anymore  
Anymore, anymore, anymore, anymore  
Anymore , anymore , anymore, anymore

Now you really start to mess up my heart  
Pretending you're gone

No one seems to matter anymore  
No one seems to matter anymore  
No one seems to matter anymore  
No one seems to matter anymore  
No one seems to matter anymore  
No one seems to matter anymore  
No one seems to matter anymore
