

It's easy to be persuaded  
It's easy because I'm weak  
If it were me I wouldn't make it  
Now I've got you  
Now I've got you  
Frequently sedated  
Beast in my veins  
If it's free I'm gonna take it  
Now I've got you  
Now I've got you  
Now I've got you  
Now I've got you here

Goodbye my sad and lonely  
Goodbye that love is sick for me  
I hold you  
I hold you  
Thank God I've finally got you here  
Now I hold you  
Now I hold you

Nice to be acquainted  
It's been easy for a while  
Now you don't control it  
I control you  
I control you  
Now I've got you  
Now I've got you here

Goodbye my sad and lonely  
Goodbye that love is sick for me  
I hold you  
I hold you  
Goodbye my sad and lonely  
Goodbye that love is sick for me  
I love you  
I love you  
Thank god I've finally got you here

Now I've got you  
Now I've got you here
