

# (Sweet Sweet Baby) Since You've Been Gone

Aretha Franklin

Baby baby, sweet baby  
There's something that I just got to say  
Baby baby, sweet baby  
You left me hurtin' in a real cold way

Speak your name  
And I'll feel a thrill  
You said I do  
And I said I will

I tell you that I'll stay true  
And give you just a little time  
Wait on me baby,  
I want you to be all mine  
I just get so blue

Since you've been gone, baby  
(Why'd you do it? why'd you have to do it?)  
Since you've been gone  
(Why'd you do it? why'd you have to do it?)

Baby baby, sweet baby  
I didn't mean to run you away  
It was pride on my lips,  
But not in my heart  
To say the things that made you stray  
But ah, babe  
Hear me now  
(Hear me)  
I don't know what I'm gonna do  
(Hear me)  
Got to get you back somehow  
(Hear me now)  
I'm trying  
Take me back,  
Consider me please  
If you walk in that door,  
I can get up off my knees  
I just been so blue

Since you've been gone  
(Why'd you do it? why'd you have to do it?)  
Since you've been gone  
(Why'd you do it? why'd you have to do it?)  
Well I've been so lonely  
(Sweet sweet - sweet sweet baby)  
Baby, since you've been gone  
(Sweet sweet - sweet sweet baby)  
I've been so lonely  
(Why'd you do it? why'd you have to do it?)  
Since you've been gone  
(Why'd you do it? why'd you have to do it?)  
Baby baby baby been so lonely  
(Sweet sweet - sweet sweet baby)
