

# With Everything I Feel In Me

Aretha Franklin

Love you  
Oh I love you baby, yes I do  
I love you baby yeah  
Make me feel so good sometimes  
I love  
With everything I feel in me  
Oh I love you baby  
With everything I feel in me, yeah  
I said I love you baby yeah  
With everything I feel in me  
Yeah. I love you baby  
With everything I feel in me  
Yes I do now  
Tell you that I, oh I love you  
With everything I feel in me  
Hee he you don't know that you're so sexy with it baby  
Oh shouldn't  
If you want love I got love to give baby  
Come on  
It's no truth if I don't tell you how I feel baby  
Come on  
Don't ask me no questions I'ma tell you why I did it  
Come on  
Cause the proof or pull is in the past  
Hell something  
Are you coming (coming)  
Are you coming (baby)  
Are you coming (coming)  
Heeeee  
I love you baby (with everything)  
Believe me...
