

# Stereotypes

Argy Bargy

All coppers are bastards, all Jocks are tight  
Scousers wanna nick anything  
And Skins just wanna fight  
They've all got one thing in common,  
They're all exactly the same  
Peoples misconceptions are driving me insane

Cos I'm a and you're a Stereotype  
Cos I'm a and you're a Stereotype  
Cos we're all and you're all Stereotypes  
Yeah we're all and you're all Stereotypes

All men are rapists and all birds are slags  
Punk Rockers just wanna sniff glue  
Out of Tesco's carrier bags  
We know it's a load of bollocks but that's the way it goes  
Peoples misconceptions get right up my nose

All kids are junkies and all cockneys are flash  
They've got no jobs and it's grim up north,  
Coz we've got all the cash  
If you believe everything you read you must be really thick  
Peoples misconceptions make me really sick
