

Right Of Way

Ari Hest

Secret keeper, legend has it you are good
If it's true, then I won't have to knock on wood
It's your calling, I am handing you the reigns so take control

Take the ransom, use however you see fit
Call your sidekick, wipe the sweat off and commit
It's your option, I am handing you the reigns so take me home

And if rain comes today
It better not keep us away
And if black turns to white
You tell them that we've got the right of way

In hot water, I will tread until we're through
Second guessing, can you turn the doubter true?
A gut reaction, I am handing you the reigns 'cause I don't know

And if rain comes today
It better not keep us away
And if black turns to white
You tell them that we've got the right

It's your calling, I am handing you the reigns so take me home

And if rain comes today
It better not keep us away
And if black turns to white
You tell them that we've got the right

And if rain comes today
I know it won't keep us away
'Cause we're leaving tonight
I'm telling you we've got the right of way
