

# Let Me Know

ARIZONA

Don't go  
I'm looking at you, you're looking at your phone  
No, I can't read your mind when you keep it inside  
But it's been so damn hard on my own

If you love me, love me, love me, love me, let me know  
'Cause I've been thinking 'bout you, baby, when I'm all alone  
And I know that you don't like to be so vulnerable  
If you love me, love me, love me, love me, let me know

Oh-oh, so let me know  
(Love me, love me, love me, love me, let me know)  
Hey, so let me know, oh  
( 'Cause I've been thinking 'bout you, baby, when I'm all alone)  
Hey, so let me know  
(Love me, love me, love me, love me, let me know)  
Hey, so let me know, oh  
( 'Cause I've been thinking 'bout you, baby, when I'm all alone)  
Oh-oh

Don't go  
It's like tryna draw blood for a stone  
And I've been tryna get by while you just keep it inside  
But it's been so damn hard on my own

So if you love me, love me, love me, love me, let me know  
'Cause I've been thinking 'bout you, baby, when I'm all alone, oh-oh  
And I know that you don't like to be so vulnerable  
But if you love me, love me, love me, love me, let me know

Oh-oh, so let me know  
(Love me, love me, love me, love me, let me know)  
Hey, so let me know, oh  
( 'Cause I've been thinking 'bout you, baby, when I'm all alone)  
Oh-oh, so let me know  
(Love me, love me, love me, love me, let me know)  
Hey, so let me know, oh  
( 'Cause I've been thinking 'bout you, baby, when I'm all alone)  
Oh-oh

Can't sleep, I'm all alone  
'Cause I don't wanna keep it on the low  
It's killing me, I gotta know  
Oh, I can't take it anymore  
I've been tryna get by while you keep it inside  
But it's been so damn hard on my own

Hey, hey  
So let me know  
Hey  
Hey, oh  
Let me know

Hey, so let me know  
(Love me, love me, love me, love me, let me know)  
Whoa, so let me know  
( 'Cause I've been thinking 'bout you, baby, when I'm all alone)

Oh-oh-oh-oh, oh-oh  
(Love me, love me, love me, love me, let me know)  
Let me know, oh-oh-oh  
( 'Cause I've been thinking 'bout you, baby, when I'm all alone)  
Oh-oh, hey, let me know
