

## Hanging Judge

### Armored Saint

I realize  
That my life tonight  
Must deal with fate  
Painful  
Dwelling  
I can't fight the feeling  
I won't hold a grudge  
I'll face the hanging judge  
No reason to stall  
You might as well call  
The hanging judge

I have a soul  
That's been lost in the climb  
Too many times

Painful  
Dwelling  
Only left wondering

I won't hold a grudge  
I'll face the hanging judge  
No reason to stall  
You might as well call  
The hanging judge

I emphasize  
That my final goal  
Has been made

Painful  
Dwelling  
Hear my voice yelling

I won't hold a grudge  
I'll face the hanging judge  
No reason to stall  
You might as well call  
The hanging judge  
The hanging judge  
The hanging judge

You might as well call  
The hanging judge
