

## Runaway

### Arms Like Yours

I really need to get this off my chest  
I don't know where to start  
Help me begin  
Cause you'll never know what you mean to me  
Under my heart  
I'm the same  
I'm dying to be with you  
And you'd kill to be with me

And I'm dying to say that you're just a runaway, a runaway  
And I can not believe that you're just a runaway, a runaway

You said that this  
Would never work  
But i know  
He doesn't look at you  
The way i do

Cus I'm dying to say that you're just a runaway, a runaway  
And I can not believe that you're just a runaway, a runaway

Don't runaway  
(don't runaway)  
Don't runaway

I'm dying to say that you're just a runaway, a runaway  
And I can not believe that you're just a runaway, a runaway
