

Call for Poseidon

Arrayan Path

Way up in the south to a sea
Of endless suffering and disease
Lives the God of water and sea
Calling of his name... to our knees

OH NEPTUNE HEAR MY CALL
FROM THE ICY ROCKS OF CRETE
TO THE ISLANDS LOST IN GREED
THROUGH THIS WAR
WE ARE LOST YOU KNOW
DESPERATE VOICES HEAR THEIR CALL
TO SURVIVE INTO YOUR SEA
THEY MUST FALL

(They must fall)

Hail to you Poseidon of Greece
(Poseidon of Greece)
You should fight for freedom and peace
All the Gods will answer to your pleas
(answer to your pleas)
In our hear your own ocean breeze

(They must fall)
