

The Words of Menelaus

Arrayan Path

Beloved Iphigenia, the mournful trees are crying
Beloved Iphigenia, the woeful leaves are dying
Welling up of a maniac
The words of Menelaus
Welling up of a maniac
The words of Menelaus

Beloved Iphigenia, the mournful trees are crying
Beloved Iphigenia, the woeful leaves are dying
Welling up of a maniac
The words of Menelaus
Welling up of a maniac
The words of Menelaus

You, for you, there is only you
But I have seen where you've been
Then it's true
There is only you
My spirit will die but you'll live

You, for you, there is only you
But I have seen where you've been
Oh so cruel, every father's doom
A child to lose way too soon

Beloved Iphigenia, the mournful trees are crying
Beloved Iphigenia, the woeful leaves are dying
Welling up of a maniac
The words of Menelaus
Welling up of a maniac
The words of Menelaus
