

Martin Kemp Welch Five A-Side Football Rules

Art Brut

I still stare at every schoolboy crush
As I missed opportunity
I wanna turn up at their houses
See if they remember me

Monday morning, double maths
Me at the front, you at the back

Martin Kemp Welch
Five a side football rules
That's all I learned in school

Some pathways droning, charcoal of junk
A way we lie where I try to talk
I used to dream of walking you home from school
Seeing the posters on your bedroom wall

Martin Kemp Welch
Five a side football rules
That's all I learned in school
