

Down In The Willow Garden

Art Garfunkel

G **Em**
Down in the willow garden
G **Em**
Where me and my love did meet,
G **Em**
As we set there a courtin',
G **D** **G**
My love fell off to sleep.

Em **G/F#** **G**
I had a bottle of burgundy wine,
G **Em**
My love she did not know.
G **Em**
So I poisoned that dear little girl
G **D** **G**
On the banks below.

G **Em**
I drew a saber through her,
G **Em**
It was a bloody knife,
G **Em**
I threw her in the river,
G **D** **G**
Which was a dreadful sight.

Em **G/F#** **G**
My father often had told me
G **Em**
That money would set me free
G **Em**
If I would murder that dear little girl
G **D** **G**
Whose name was Rose Connelly.

G **Em**
My father sits at his cabin door,
G **Em**
Wiping his tear dimmed eyes,
G **Em**
For his only son soon shall walk
G **D** **G**
To yonder scaffold high.

Em **G/F#** **G**
My race is run beneath the sun,
G **Em**
The scaffold now waits for me,
G **Em**
For I did murder that dear little girl
G **D** **Em**
Whose name was Rose Connelly.
