

# I Shall Sing

Art Garfunkel

**E**           **A**           **E**  
I shall sing, sing my song,

**E**           **B7**           **E**  
Be it right, be it wrong.

**E**           **A**           **E**  
In the night, in the day,  
**E**           **B7**           **E**  
Anyhow, anyway, I shall sing:

**E**           **A**           **E**  
La la la la la la la la la,  
**E**           **B7**           **E**  
La la la la la la la la.  
**E**           **A**           **E**  
La la la la la la la la,  
**E**           **B7**           **E**  
La la la la la la la la la la.

**E**           **A**           **E**  
With my heart, with my soul,  
**E**           **B7**           **E**  
For the young, for the old.  
**E**           **A**           **E**  
When I'm high, when I'm low,  
**E**           **B7**           **E**  
When I'm first, When I'm slow, I shall sing:

**E**           **A**           **E**  
La la la la la la la la,  
**E**           **B7**           **E**  
La la la la la la la.  
**E**           **A**           **E**  
La la la la la la la la,  
**E**           **B7**           **E**  
La la la la la la la la la.

**E**           **A**           **E**  
I shall sing, sing my song,  
**E**           **B7**           **E**  
Be it right, be it wrong.  
**E**           **A**           **E**  
In the night, in the day,  
**E**           **B7**           **E**  
Anyhow, anyway, I shall sing:

**E**           **A**           **E**  
La la la la la la la,  
**E**           **B7**           **E**  
La la la la la la la la la.  
**E**           **A**           **E**  
La la la la la la la,  
**E**           **B7**           **E**  
La la la la la la la la la.
