

So Easy To Begin

Art Garfunkel

D9 **F#mi**
I've been so far away from you
G **A9**
While standing by your side.
D9 **F#mi**
There were nights we were so in love,
G **A9**
That lovin' made us blind.
Bmi **Emi** **F#mi** **Bmi**
But that time is so far below us now,
Emi **A7**
The memory's so thin,
D9
It's so easy to begin.

Emi **A7** **D9**
But it's so hard to stop, this love,
Emi **A7**
It's just so hard to stop.
Bmi **Emi** **F#mi** **Bmi** **Emi** **A7**
When a heart that's lookin' for lovin' leads you in,
D9 **Emi** **F#mi** **G** **A7**
It's so easy to begin.

D9 **F#mi**
I know I've saved some lessons
G **A9**
From the time I fell apart.
D9 **F#mi** **G**
And I know you've been wondering why
A9
I look at you so hard.

Bmi **Emi** **F#mi** **Bmi**
It's 'cause I never want to wake up some day
Emi **A7**
And wonder where we've been.
D9
It's so easy to begin.

Emi **A7** **D9**
But it's so hard to stop, this love,
Emi **A7**
It's just so hard to stop.
Bmi **Emi** **F#mi** **Bmi** **Emi** **A7**
When a heart that's lookin' for lovin' leads you in,
D9 **Emi**
It's so easy to begin.
A7 **D9** **Emi**
It's so easy to begin.
A7 **D9** **Emi** **A7**
It's so easy to begin.
