

Shape Shifter

Artension

Opal amulet forged in fire
Panther's eye within me
Black as night my life's blood empowered
Waxing moon it brings change

Shape Shifter
Evolution screams
Higher power
Transforms me

Walls of caves adorned by torch and cinder
Tells the story of lives
Spoken history grandfather to father
Tales of beasts and men combined

Shape Shifter
Evolution screams
Higher power
Transforms me

Shape Shifter
Evolution screams
Higher power
Transforms me
