

# The Truth

Artension

It's dawning the start of a new age  
Millennium's calling calling to you

Don't let this chance slip away  
The rest of your life starts today

It's time to tell the truth  
And nothing but the truth

Deception misleading the people  
Honest confession wounds that can heal

Don't let this chance slip away  
The rest of your life starts today

It's time to tell the truth  
And nothing but the truth

It's dawning the start of a new age  
Millennium's calling calling to you

Don't let this chance slip away  
The rest of your life starts today

It's time to tell the truth  
And nothing but the truth
