

# Damn Rough Night

Artist vs. Poet

It's gonna be a damn rough night  
For the designated driver  
'Cause it's me and whoever  
And you know we won't remember  
Sorry for what I'm about to do  
Turning 21 is a bitch to go through

Before we take a drink let's toast  
To the "never have I ever"s  
'Cause tonight is the night  
That we'll talk about forever  
So take my keys and hide my cell phone  
If I turn into trouble, at least I warned you

Let's recap and get caught up  
No one said enough's enough  
I let go the better part of me

I guess I had a damn rough night  
I'm still piecing it together  
There's a girl in my bed  
And I haven't even met her

I had a damn rough night  
And I can't even remember  
Threw my clothes in the fire  
and I turned into a streaker

Sorry for what I'm about to do  
Turning 21 is a bitch to go through  
All these crazy things we do  
Turning 21 is a bitch to go through

I heard I was a big chaotic mess at the occasion  
Was a total disaster and now I'm fading faster  
I'll keep the score never realized  
So I pass the time until I feel alive  
and I am not like this all the time

Let's recap and get caught up  
No one said enough's enough  
I let go the better part of me

I guess I had a damn rough night  
I'm still piecing it together  
There's a girl in my bed  
And I haven't even met her

I had a damn rough night  
And I can't even remember  
Threw my clothes in the fire  
And I turned into a streaker

Sorry for what I'm about to do  
Turning 21 is a bitch to go through  
All these crazy things we do  
Turning 21 is a bitch to go through

And if I had the chance  
You know I'd do it all again  
(I'd do it all again)  
And if I had the chance  
You know I'd do it all again

Looks like I had a damn rough night  
I'm still piecing it together  
There's a girl in my bed  
And I haven't even met her

They say I had a damn rough night  
And I can't even remember  
Threw my clothes in the fire  
And I turned into a streaker

Sorry for what I'm about to do  
Turning 21 is a bitch to go through  
All these crazy things we do  
Turning 21 is a bitch to go through

Sorry for what I'm about to do  
Turning 21 is a bitch to go through  
All these crazy things we do  
Turning 21 is a bitch to go through  
Is a bitch to go through
