

Torn

Asa

Walking down this road
Walking aimlessly to nowhere
Tears roll down my eyes
Blurry strangers walk on by
Next time I'd choose better who I open my heart to
For now, I'd feel much better if I could rip yours in two

I am torn between evil and hurting you
No refund for a broken heart
And I'm feeling such a fool

Running out of breath
Don't need no one to comfort me
Brought this on my head
Don't know why I have to pay so much for love

Next time I'd choose better who I open my heart to
For now It makes me feel better
The farther I get away from you

I am torn between evil and hurting you
No refund for a broken heart
And I'm feeling such a fool
I am torn between evil and hurting you
No refund for a broken heart
And I am feeling a fool

Ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh

Next time I'd choose better who I open my heart to
For now, I'd feel much better if I could rip yours in two

I am torn between evil and hurting you
No refund for a broken heart
And I'm feeling such a fool

I am torn between evil and hurting you
No refund for a broken heart
And I am feeling such a fool

Ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh
