

More Than a Melody

Ashanti

In the still of the moment, my voice can be heard
So listen carefully, there's music inside each word
I am the composer, of the melody of life
Take my yoke upon your learn of me
I'll be your guiding light

I am the director be part of my symphony
I am speak peace into the storms even the winds obey me
Let me be your soul
You'll never have to walk alone
And I will help you carry on, carry on

I am the music within the inner-ear
Hawken unto my voice, I declare I am gonna draw near
I am the rhythm to every beat of your heart
If you place your trust in me, I'll never ever part
Let me be your soul
You'll never ever have to walk alone
I will help you carry on

(Let the notes the more) They make (They make a special sound)
