

# Only U

Ashanti

I just want you to know  
That throughout it all  
It's only you that stuck by me  
And for that I thank you  
I love you, Ashanti

Ashanti

Ooh, I can't wait to get next to you  
Oh, I just can't leave you alone  
Boy, you got me doing things that I would never do  
And I can't stop the way I'm feelin', if I wanted to  
I'm crazy 'bout the way that you could make me say your name  
And if I couldn't have you I would probably go insane

Only you can make me feel (only you can make me feel)  
And only you can take me there (only you can take me there)  
Only you can make me feel (only you, only you can make me feel)  
And only you can take me there (only you can take me there)

Ooh, I can't wait to get next to you  
Oh, I just can't leave you alone  
Boy, you stay inside my mind, ain't no denyin' that  
And only you could do them things that got me coming back  
This gotta be the realest thing that I have ever felt  
And I'll do what I gotta do, to keep you to myself

Only you can make me feel (only you can make me feel)  
And only you can take me there (only you can take me there)  
Only you can make me feel (only you can make me feel)  
And only you can take me there (only you can take me there)

Crazy (crazy) 'bout the ('bout the) way you (make me) feel (ah)  
I just (I just) gotta (gotta) have you (have you) here (ah)  
And I (and I) wanna (wanna) let you (let you) know (ah)  
I won't (I won't) ever (ever) let you (let you) go

Only you can make me feel (only you can make me feel)  
And only you can take me there (only you can take me there)  
Only you can make me feel (you can make me feel)  
And only you can take me there (only you can take me there)

Ooh, I can't wait to get next to you  
Oh, I just can't leave you alone
