

Easy To Be Free

Asher Lane

Did you ever wanna go
Where you've never been before
Did you ever wanna know
Things you've never known before

I'll take you there with me
and maybe then you'll see
It's easy to be free, yeah

Did you ever wanna fly
Over rainbows, skies so high
Did you ever wonder why
People tell you not to try

I'll take you there with me
and maybe then you'll see
It's easy to be free, yeah
It's so easy to be free, yeah

I stood and waited where the river runs
It felt so good to feel the morning sun
and after all is said and done
I'm free

Did you ever wanna go
Where you've never been before
Did you ever wanna know
Things you've never known before

I'll take you there with me
and maybe then you'll see
It's easy to be free, yeah
It's so easy to be free, yeah
It's so easy to be free, yeah
It's so easy to be free, yeah
